

## How to Report PREA incident

Anyone with knowledge, suspicion, or information regarding:

- An incident of sexual abuse or sexual harassment that occurred in the program
- Retaliation against residents or staff who reported an incident of sexual abuse or sexual harassment
- Any staff neglect or violation of responsibilities that may have contributed to such an incident or retaliation

is encouraged to contact Perception Program, Inc.'s PREA Coordinator at 860-450-7122 ext. 2012

All reports of sexual abuse and sexual harassment that are received from third parties will be received and responded to according to policy by all staff.

Perception Program, Inc. will report all substantiated allegation of sexual abuse, including third party and anonymous reports, to the local authorities for further investigation.
