

## PATH RISK REDUCTION SERVICES

---

**Recovery is complicated. We are committed to supporting you at every stage.**

---

### Syringe Services & Risk Reduction Supplies

PPI's syringe exchange is free, confidential, and non-judgmental. We provide insulin syringes, cookers, cottons, sterile water, alcohol pads, ties, antibiotic ointment, vitamin c, wound care kits, discrete and larger biohazard disposal containers, and more depending on availability.

Our staff have on-site exchange hours three times a week and offer Home Delivery every other week to clients in all of Windham and Tolland County along with the town of Norwich. Hours and locations can be found on our website.

### HIV & HPC Testing and Education

PPI offers free and confidential HIV and Hep C rapid screenings that take between 25-30 minutes. Screenings can be scheduled in the comfort of your home, in our company van or in our office.

We offer HIV and HCV interactive presentation that can take between 40-60 minutes. If interested, contact the number below.

### Narcan Training, Access, and Education

Our staff provide free Narcan trainings to surrounding communities to reduce the impact of the opioid epidemic and empower individuals to become part of the solution. If you would like to host or schedule a training please call the number below. If you are seeking access to Narcan email [Jessica.Morris@perceptionprograms.org](mailto:Jessica.Morris@perceptionprograms.org) and she can assist you.
